Monday 7th October 2019

Dear Parents/Carers,

We would like to invite you to come along to some after-school Forest School workshop sessions, with your child, to get a flavour for what this important element of our curriculum here at Himbleton is all about.

The sessions will be run by Mrs Griffiths, our qualified Forest School Leader. However, the children will be the ones leading their own Forest School experience and sharing it with their families.

We will be running three sessions and invite you to sign up to attend **one** of these so that the opportunity can be accessible to all.

Please wear appropriate clothing for the workshop; children will get ready in school at the start of the session.

Please note that you will be fully responsible for your child during these sessions.

We hope that you are able to join us for some fun in the forest!

Please complete and return the attached slip so that we can plan accordingly.

Kind regards,

Mrs. G. Martin
